

Dear Sir/Madam,

The Palm Valley Academy Family is honored that you are considering partnering with us. Our Partners in Education program is designed to build your business while offering a fundraising opportunity for our school. In the spirit of community, we can help support each other in a variety of ways.

As one of the newest schools in the St. Johns County School District, we offer you an amazing opportunity to reach over 1200 students representing approximately 700+ families and growing. Our business partners benefit from the exposure to so many local and new families. You will find the levels of partnership opportunities detailed on the included program matrix.

Please complete the attached agreement to indicate the level of support that you would like to dedicate to PVA for this school year. On behalf of the Palm Valley Academy PTO, our principal Jessica Richardson, the staff and students, we greatly appreciate your support and look forward to welcoming you as a partner this year.

Sincerely,

Kristen Buttacavoli
